BOARD OF TRUSTEES
CARSON CITY SCHOOL DISTRICT

POLICY No. 218
PROGRAM

INTERNET SAFETY AND NETWORK ACCEPTABLE USE

Access to the Carson City School District Network, Digital Resources and Communication Devices shall be for the purpose of facilitating the exchange of information. These devices and resources shall be used to further the educational objectives of the District, and in accordance with the current research on K-12 education.

Use of the Carson City School District Network, Digital Resources and Communication Devices shall be in alignment with the District's Strategic Plan; comply with applicable provisions of the state and federal law and regulations, and not used to transmit information in violation of any applicable law or regulation or which is bullying, obscene, or disruptive to the educational processes of the District. Carson City School District Network, Digital Resources and Communication Devices shall not be used for commercial purposes, including commercial advertising. All use shall be in compliance with this Policy and the regulations and procedures enacted by the District.
