STEP 2: Complete the Interest Inventory

The first time you log in, the Interest Inventory will open. Select how interested you are in each of the categories, then save your choices. This information will help you quickly find books that match your interests.

Pre-K-5

The screenshot shows the 'your myON Interests' page for Pre-K-5. It includes a 'Language' section with checkboxes for 'English' and 'Español'. Below is a 'Categories' section with five rows, each featuring an icon, a category name, and a row of five smiley faces for selection. The categories are: Genres (with a book icon), Graphic Novels and Cartoons (with a comic strip icon), Science (with a globe icon), Language Arts (with a book icon), and Social Studies (with a globe icon). The 'Science' category has the fourth smiley face selected (green).

Grades 6 and Up

The screenshot shows the 'your myON Interests' page for Grades 6 and Up. It includes a 'Language' section with checkboxes for 'English' and 'Español'. Below is a 'Categories' section with a table of interest levels. The table has columns for 'Less Interest', 'Some Interest', and 'Most Interest'. The categories and their interest levels are: Genres (Most Interest), Graphic Novels and Cartoons (Most Interest), Science (Most Interest), and Language Arts (Some Interest). There are also descriptive text boxes for each category.

STEP 3: Take the Placement Test

Just answer the questions on the screen. This test will provide your Lexile® reading level, so you can easily find books and news articles on myON that are just-right for you to read.

Pre-K-5

The screenshot shows a placement test question for Pre-K-5. The instruction is 'Choose the best word for the picture.' Below the instruction is a picture of a bed. To the right of the picture are four radio button options: 'bed', 'hat', 'dog', and 'egg'. A 'Save' button is at the bottom right.

Grades 6 and Up

The screenshot shows a placement test question for Grades 6 and Up. The instruction is 'Read the text below:'. The text is a short story about Maria and her mom. Below the text is the instruction 'Choose the best word that would fill in the blank.' followed by a sentence with a blank space: 'Maria was _____ until her mom arrived.' Below this are four radio button options: 'mad', 'scared', 'bored', and 'hurt'. A 'Save' button is at the bottom right.

Select a book from the library or a news article and start reading with myON! Within your myON account, you will see a list of **Recommended** books that you may want to read. The books on this list are based upon your interests and Lexile® assessment, along with your grade. Your **Recommended** list will be updated as you continue reading with myON so it reflects your current interests and reading level.
