Carson Airport hosts career planning workshop Wednesday

The Carson Airport is hosting a career planning workshop for 5 p.m. Wednesday in its terminal building. The workshop is available to all high school and college students seeking careers in any area or specialty.

The session will feature executive-level speakers, who will describe their career journeys and their current work, then share career advice. Students will participate in discussions about career planning, job searching, skills identifying and resume writing.

There's no cost to attend and the workshop is open to all job seekers, even if aviation is not among their career interests. Many students get connected to internships and job opportunities by attending the workshops.

For information, visit www.pathwaystoaviation.org.

Schools seek community member opinions on strategic plan

The Carson City School District needs local community members to attend, weigh in and provide opinions at its quarterly Community Professional Learning Community meeting at 6 p.m. Wednesday inside the Carson High School Library.

The purpose of these quarterly meetings with school officials is to accumulate feedback from community members on how the school district's strategic plan is performing and suggest ideas and systems to better help meet the

goals, objectives and strategies of the district's plan.

The meeting will begin at 6 p.m. and end promptly at 7:30 p.m. Community members may park along the curb (both sides) in front of Carson High School and enter the building at the south entrance near the flag pole. Individuals planning on attending are welcome to share this invitation with colleagues, friends and neighbors who might be interested in attending this meeting and/or joining the group.
