LAS VEGAS — O.J. Simpson says "nothing has changed" in his life during the nine years he spent behind bars.

The former football star and actor made the comment to a reporter for paparazzi outlet Splash News. The

reporter approached Simpson while the car he was riding in was refueling at a gas station. Simpson was wearing the same denim outfit he was pictured in while leaving the Nevada prison on parole Sunday.

Simpson told the reporter he didn't know what freedom felt like because he had been "in a car for the last five
