

## STATE OF NEVADA

### MASTER PRICE AGREEMENT FOR SUPPLY AND USE OF TEXTBOOKS BY THE SCHOOL DISTRICTS OF THE STATE OF NEVADA

THIS PRICE AGREEMENT is made and entered into by and between the State of Nevada, on behalf of all Nevada Public School Districts who order adopted items, hereinafter referred to as Purchaser, and Pearson Education, Inc. Publishing Company hereinafter referred to as Provider, who mutually agrees as follows:

1. The term of this agreement for Essentials of Human Anatomy & Physiology shall be seven years from July 1, 2018 to June 30, 2025. After completion of the fourth year of adoption, the Provider may request a one-time price increase for the remaining three years of the adoption period at a price not more than the current price being charged to other school districts.
2. Provider agrees to furnish, sell, and deliver designated textbooks and related support materials pursuant to prices set forth in Schedule A/A.1 of this agreement to any Nevada School District that issues a purchase order during the term of this agreement. Provider certifies that the prices set forth in Schedule A/A.1 represents the lowest price Provider has charged for the same textbook and related support materials anywhere in the continental United States to meet the standards of "most favored nations" clause. If at any time during the life of this agreement, lower prices are utilized, Provider agrees to immediately disclose this information to Purchaser and modify the agreed price (Schedule A/A.1) to reflect the lower amount. All Nevada School Districts shall be able to separately negotiate for ancillary, related support material, and/or gratis material using Schedule B.
3. Depository(s) will be designated by the Purchasing Nevada School District and approved by the Provider. The Depository will be from a shipping point(s) in the State of Nevada or from a state contiguous to Nevada. The cost of transportation beyond such shipping point(s) is to be paid by the Purchasing Nevada School District. If the Purchasing Nevada School District and Provider agree, purchase may be made direct from the Provider.
3. Provider agrees to: (a) furnish and make available for sale at all times throughout the terms of this agreement, sufficient quantities of the adopted instructional materials to supply the needs of Purchaser, and (b) pay a delay of delivery fee at the rate of one percent (1%) per day of the undelivered portion of the purchase order, if the Provider fails to deliver within 45-days of the date the purchase order was received by the designated supplier, unless otherwise agreed. The total penalty for any delivery shall not exceed the value of the undelivered portion of the purchase order.
4. In cases where the Purchaser agrees to include a more recent copyright ("compatibility") for an adopted textbook and support materials at the request of Provider, the original agreed price shall prevail for the life of the agreement for both the original and compatible materials.
5. Provider agrees that textbooks and designated support materials will be equal or superior to the sample deposited with Purchaser in printing, binding, quality of paper and other essential features. Provider agrees to replace any textbook that fails, because it is not equal in quality to the sample of same item deposited by Provider with Purchaser. Such replacement will be at Provider's expense including all related shipping charges.
