E. TEMPLATE/RUBRIC and LISTING OF SUMMARY STEPS undertaken that describes the steps completed to reach the decision in the selection of the textbook is on file at the district offices. **Additionally**, the **District** may elect the **OPTION** to create its own Rubric and secondly to further submit the Rubric used in reaching their decision on the selection of the textbook to this **Report**.

CCSD began the RFP process in October 2018. Once the RFP process was completed, the Spanish textbook adoption committee reviewed all the publishers that submitted. Based on the initial rubric scoring, the committee determined that publisher presentations were necessary and invited three publishers to present their textbooks and online platforms. Three 2-hours sessions were scheduled and all the committee members attended. After another round of rubric scoring, the committee determined that Vista Higher Learning and its product Senderos best aligned with the NVACS, along with supporting the curriculum and assessments that have been developed by the Spanish teachers at Eagle Valley Middle School, Carson Middle School, and Carson High School. The committee overwhelmingly agreed that Vista’s product will help provide the support needed for CCSD students to be successful.
