

Carson City Schools Foundation video provides information, seeks contributions

Carson City School District

With the start of the new semester, the Carson City Schools Foundation is rolling out a new video with more detailed information about how it uses the money donated to the organization and how contributions are made.

To view the video, go to www.youtube.com/watch?v=X-trsZ6_D-uo&feature=youtu.be.

School district employees

can support the CCSF with an ongoing contribution via payroll deduction. Individuals and organizations are also able to make a one-time donation using a credit card. To make a one-time donation or for information, visit ccschoolsfoundation.org/campaigns/donations/.

District employees interested in making a payroll donation should obtain a payroll deduction form from their site office manager.

Ending the deduction can be done at any time by contacting the Carson City School District payroll department. If every district employee contributed just \$1 per pay period, the district could raise more than \$23,000 per year.

Each semester, the foundation gives back to educators and students alike. This last semester, the foundation awarded \$200 mini-grants as well as up to \$2,000 grants for a department, school or

grade-level project(s).

CCSF is a nonprofit organization dedicated to promoting community involvement and investment in the public schools of Carson City. This project is one of the many results of the "Empower Carson City 2022 Strategic Plan – a five-year strategic plan for extraordinary schools built by the community of Carson City.

CCSF was created to increase student achievement through

philanthropic investment and involvement. Established by the Carson City School District's Board of Trustees, the foundation promotes education programs that traditional funding sources might not be able to reach.
