

# CARE AND COMPASSION

Taught in the classroom, practiced inside and out. Students with Mark Twain Elementary School answered the call to help Carson Tahoe Health raise money for their "Sponsor a Caregiver" fund-raiser (helping supply 1,000 staff members with N95 Envo masks). The school even turned it into a classroom competition to see which class could raise the most funds. Way to go, Mark Twain Elementary!

## Nevada voter registration increased slightly in February

By The Associated Press

Nevada saw a slight increase in registered voters in February, when more voters signed up as nonpartisan than with any political party.

New numbers from the Nevada Secretary of State's Office on Monday show the number of registered voters grew by 8,170 people last month. That's about half a

percent of registered voters to 1,805,554.

Nonpartisan registrations grew by 6,264 people. The Democratic Party saw a net loss of 100 voters and the Republican Party saw a net loss of 1,962 voters.

Democrats comprise 36% of Nevada's registered voters while Republicans comprise 32%. Nonpartisan voters make up 25% of the voters
