DISPOSITION OF PROPERTY

The Board of School Trustees believes that the efficient administration of the Carson City School District (CCSD) requires the disposition of property and goods no longer necessary for the maintenance of the educational program or the operation of the CCSD. The Board shall direct the periodic review of all CCSD property and authorize the disposition by sale, donation or discard of any property not required for school purposes.

Property no longer of value to the District shall be disposed of as provided in the Nevada Revised Statutes.
