CARSON CITY SCHOOL DISTRICT**

**POLICY No. 321
CERTIFIED STAFF**

STAFF CONFLICT OF INTEREST

Teachers shall not engage in gainful employment, outside their contract, where the employment adversely affects professional status or impairs standing with students, associates, or the community, or presents a conflict of interest.

Staff members may not exploit their professional relationship with any component of the school system and may not use or permit the use of school related names, symbols, or logos in connection with outside agencies or non-school activities such as advertising, without the written permission of the superintendent.
