CARSON CITY SCHOOL DISTRICT**

**POLICY No. 544
STUDENTS**

**PARTICIPATION OF HOME-SCHOOL/PRIVATE SCHOOL/CHARTER SCHOOL
STUDENTS IN CARSON CITY SCHOOL DISTRICT PROGRAMS**

1. The Board recognized its obligation to allow students of charter schools, home schools and private schools within the District to participate in certain sports and extra-curricular programs offered by the District. The District shall provide by Regulation, the procedures and requirements of such participation.

2. Home schooling, charter schools and private schools are alternative education programs for parents of students who do not wish to have their students enrolled in a comprehensive public school. Home schooling is a means by which students are exempted from compulsory education while receiving instruction at home. Charter and private schools are institutions of learning that offer various educational opportunities with a unique structure and purpose. Periodically, parents of home-schooled, charter-schooled and private-schooled students request the participation of their student in sports and other extra-curricular activities, such as choir, band and a variety of academic areas not available at home, charter or private schools. These students may participate in such programs upon the terms and conditions as shall be provided by Regulation.
