CARSON CITY SCHOOL DISTRICT**

**POLICY No. 330
CERTIFIED STAFF**

ADVANCEMENT ON CERTIFIED SALARY SCHEDULE

The Board of Trustees of the Carson City School District encourages staff members to improve their skills through professional development activities. It shall be the duty of the Superintendent in conjunction with the Associate Superintendent of Educational Services and the Associate Superintendent of Human Resources to develop, supervise and evaluate necessary professional development programming for the purpose of improving student achievement.

Nevada Revised Statutes, District employee negotiated agreement, along with District Policy and Regulation will be followed when providing credit, and/or additional salary compensation for staff members who complete advanced training successfully.
