

Student Dress Code

It is our intent, to promote an atmosphere of learning rather than leisure. The dress and personal appearance of each student should reflect this philosophy. Each student should adhere the following guidelines:

Hair and clothes should be neat and clean

Wear appropriate footwear. Sandals are OK; however, we ask that the students wear socks along with their sandals to prevent stubbed toes.

Flip-flops are not allowed.

Clothing needs to be appropriate for the classroom.

Shorts are allowed – weather permitting. Shorts need to be knee length (no short shorts) and tank tops are not allowed.

Students may not wear hats inside the school building.

Consequences for any student not following the student dress code is a call to a parent to bring appropriate clothing. Failure to follow the dress code after a warning may result in a citation.
