A NOTE FROM OUR SUPERINTENDENT

This winter has certainly been one to remember. I want to take this opportunity to express my gratitude to our incredible employees who have worked tirelessly to clear sidewalks and parking lots, ensuring our schools remain safe and accessible for everyone. I also want to recognize the efforts of our staff, students and families who have adapted to snowy conditions with flexibility and resilience. Your persistence has allowed us to continue to have school most days, ensuring learning continues despite the weather. And as much as I am grateful for relief from our drought, I look forward more to welcoming the new Spring season.

As we enter the final stretch of this exciting school year, we couldn't be more proud of the accomplishments of our students. You'll find many highlights as you continue to read below of both students and teachers doing remarkable things. We realize that the success of our students comes in part because of the tremendous support from parents and our community, but we should also recognize the dedicated employees who pour their heart and souls into our students every day. From teachers to bus drivers, secretaries, aides, custodians, food service staff, maintenance staff and administrators; we have a family approach here, and we take seriously our job of investing into the lives of every student, every day.

Sincerely,
Andrew Feuling
Superintendent, Carson City School District

DIAL 988 FOR 24/7 MENTAL HEALTH CRISIS CARE

We would like to remind students and families that there is help at the touch of their fingertips. In July of last year, the [U.S. transitioned the 10-digit National Suicide Prevention Lifeline to 988](#), an easy-to-remember three-digit number for 24/7 mental health crisis care.

The move to the three-digit 988 phone number makes it easier to dial when emotions are running high. It also alleviates suicide-related calls to 911, redirecting the caller to a mental health professional who's able to better assist them and their immediate needs. [Read more.](#)

'FUNDING FUTURE DREAMS' ANNUAL GIVING CAMPAIGN SEEKS DONATIONS

The [Carson City Schools Foundation](#) (CCSF), in support of the Carson City School District, has launched its annual giving campaign, "**Funding Future Dreams**," to support advanced learning for students in Carson City.

Now through June 30, 2023, the Foundation seeks community contributions to support three proven programs: the [teacher classroom mini-grant and department/school-site grants](#) that help purchase special project materials; student book and material fees for students qualifying for the [JumpStart College program](#) and exam fees for [Advanced Placement \(AP\)](#) students in need.

Last year, the fundraising campaign raised nearly \$34,000 for students, exceeding the initial goal of \$24,000. The foundation's goal this year is to raise a total of \$60,000: \$20K for teacher/department/school grants, \$20K for books and materials for JumpStart students and \$20K for exam fees for AP students. Carson City School District's Operation Services Manager Mark Korinek retired earlier this year in January after a notable 25-year career. He mentioned one of his big accomplishments was when Carson City became "Solar City" in 2011. While he emphasized he didn't accomplish it alone, having 9,604 photovoltaic solar panels housed among five schools spread across 195,000 square feet of

solar arrays was memorable. Korinek also said Carson High School became the largest

campus at the time to offer more solar energy per student in the state. Finally, he said his primary focus has always been on keeping school sites safe, warm and clean for students and staff in all conditions. [Read more.](#)

In short, the program will fast-track individuals who have a bachelor’s degree to obtain a teaching license outside traditional pathways.

The alternative route to licensure partnership will give Carson City School District full control of the teacher candidate recruitment process, while iteach will provide free test preparation and assume creation, maintenance and assessment of all coursework and educator platforms. The new program will also offer rigorous educator preparation without the semester-to-semester time restrictions and cost associated with a traditional brick-and-mortar university. SPORTS AND EXTRA-CURRICULAR HIGHLIGHTS!

The success of many of our winter sports teams and other extra-curricular activities and organizations certainly provides us all with a reason to celebrate.

Primarily of note, two fierce female grapplers from Carson High made history as they both took home championship titles at the state's first-ever sanctioned all-girls [regional wrestling tournament](#). Their effort of displayed strength, skill and

determination on the mat, landed both on top of the podium.

Ultimately, **Ellah Olson**, 17-year-old senior, [finished as the State Champion](#) with a 5-2 decision.

Additionally, the [Carson High Ski Team](#) capped off its season by sending four (4) boys and two (2) girls to the state championship races at Kirkwood including **Samuel Barker, Sierra Frame, Sean Harrington, Juri Rother, Madison Lind Smith** and **Mark Walther**.

Also, Carson Middle School sixth-grader **Ivan Manzano** and Carson High sophomores **Miguel Elizondo** and **Jimmy Sapien** punched their way to the top, winning both [state and regional boxing championships](#).

Ultimately, Miguel Elizondo won the National Championship bout at the Silver Gloves National Finals, hosted in Independence, Mo. in February.

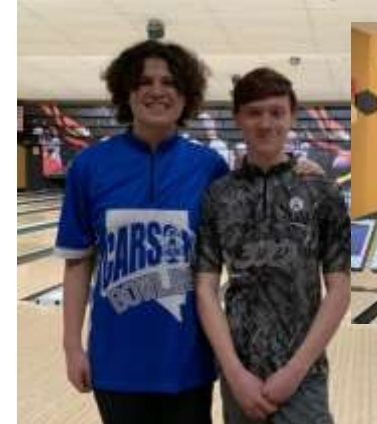

Congrats to **Nathan Parsons** and **Jake Xie** for their performances in the [Nevada Music Educators All State Conference](#) Feb. 3, in Las Vegas. Xie has made the All-State Jazz Band as the lead

alto player 3 years in a row and Nathan is in his sixth consecutive year of an all-state ensemble on the trumpet. Well done, gentlemen.

Carson High School's [Blue Thunder Pep Band](#) subbed for the Wolf Pack Marching Band December 22 and the UNR athletic department has already invited them back.

Congrats to Carson High's **Shane Shook**, who became the Bowling Champion at the Northern Nevada Masters Youth Tournament. Additionally, in Division C,
