Mission Statement

In partnership with families and the community, we will make the most of every day for every student by empowering them with the skills, knowledge, values and opportunities to thrive.

Superintendent's Highlights

While no single report can tell the complete story of our education accomplishments, the following highlights occurred during the 2017-2018 school year.

- Carson City School District's graduation rate increased to 83.9%. Carson High School's graduation rate is 93.2% and Pioneer High School's graduation rate is 80.9%. Both high schools completed the school accreditation process this year.
- Carson City School District proudly endorses an educational model that focuses on the needs of each individual learner. Our teachers use powerful student data systems to support student learning and facilitate program completion.
- Carson City School District has six elementary schools, two middle schools, a comprehensive high school, a small alternative high school, on-line educational options, adult education, and a dual-credit program that allows students to obtain an Associate Degree from Western Nevada College while also earning the credit needed to graduate from high school.
- The Carson City School District Board of Trustees meets semi-annually with the Carson City Board of Supervisors to discuss matters of mutual interest and benefit to our community.
- Carson City School District's Career and Technical Education (CTE) programs had 97.15% of its students pass the State's Work Readiness Assessment.
- Carson City School District and community partners meet quarterly and discuss the progress attaining the goals, objectives, and strategies of the District's Strategic Plan, "Empower Carson City 2022".
- Carson City School District with support from the Nevada Legislature and the Governor employs 14 social workers in our schools to help families receive basic physical, social, and emotional services.
- Carson City School District passed a \$15 million dollar capital improvement school bond that will remove all portable classrooms in the district and replace them with permanent brick and mortar classrooms.
- Carson City School District embraces the use of technology and provides laptop computers for students in grades 3-12. Laptop computers are also available for each Kindergarten through 2nd Grade student in their individual classrooms.
- Carson City School District launched the University of Nevada's course "Introduction to Education (EDU-110)" to approximately 20 high school 11th and 12th graders. The dual-credit offering is the District's attempt to introduce the field of education as a career pathway to interested students and as a potential solution to alleviate future teacher shortages.
- Carson City School District's communication department distributes quarterly newsletters to nearly 16,000 individuals throughout Carson City. Recipients include students, parents, guardians, and staff. In addition, about 100 news releases were sent last year to northern Nevada Media outlets.

Goals and Objectives

Goal 1 - Exceptional Staff:

Recruit, provide professional growth opportunities, and retain exceptional personnel for all positions within the school district.

Goal 2 - Curriculum That Matters:

Provide multiple pathways that empower lifelong learners, active citizens, and career and college ready students from Pre-K through grade 12.

Goal 3 - Engaged Parents and Families:

Empower and inspire families to positively impact their child's education in a welcoming, informative, and collaborative school culture.

Goal 4 - Healthy Generations of Carson Students:

Advance physical, social, and emotional wellness for all students.

Goal 5 - A Community in Full Partnership:

Actively connect every student with learning beyond the classroom.

District Communication Efforts

The Carson City School District televises the Board of Trustees through access television twice each month. Each school distributes a monthly newsletter to parents and community members as a means of keeping the public informed about school activities, programs, and events. Elementary schools hosted Parent/Teacher conferences at the end of the first quarter, and then again at the end of the third quarter. Test results and interpretation guides are sent home at the completion of each standardized test cycle. Each school maintains a website providing school-wide information. The district provides a website (www.carsoncityschools.com) where parents and community members can obtain information regarding policies, procedures, curriculum and assessment results. Elementary schools utilize PeeChee folders to communicate with parents on a weekly basis. Each school hosts school-wide activities to encourage parent participation, i.e science fairs, family reading nights, math nights and a variety of other social events. The high schools and middle schools utilize Infinite Campus so parents have access to grades, attendance and announcements 24 hours a day via the computer.

Discipline

It is the policy of the Carson City School District to provide regular in-service education and training about harassment, sexual harassment, intimidation, and bullying for employees and students. Such in-service training shall include:

- Awareness concerning the various types of bullying, harassment, and intimidations; how the bullying, harassment and intimidation manifests itself, and the devastating emotional and educational consequences that may occur.
- Training in the appropriate methods to facilitate positive human relations among pupils without the use of bullying, harassment and intimidation so that pupils may realize their full academic and personal potential.
- Methods to improve the school environment in a manner that will facilitate positive human relations among pupils.
- Methods to teach skills to pupils so that they are able to replace inappropriate behavior with positive behavior.

Demographics and Student Information

Data are provided by the Nevada Department of Education from the state student information system. Gender, race/ethnicity, and special student populations are reported as of count day.

2017-2018 District Accountability Report

Data as of: Count Day

'-' indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

*** indicates that the data was not available.

District totals do not include state or district sponsored charter school data. (2008-Current)
Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

'-' Indicates data not presented for groups fewer than 10. This data is suppressed due to FERPA regulations.

'N/A' indicates that this population was not present.

'**' indicates that the data was not available.

Data in grade 9-12 excludes pupils:

who successfully completed HSE assessment,

who are enrolled in approved courses for an adult standard diploma, withdrew from school to attend another school.

Data is not displayed for a group where enrollment information is missing.

Negative value indicates rate cannot be calculated due to zero enrollment.

Nevada System of Higher Education (NSHE) (Fall 2017)

Students enrolled in remedial courses within the Nevada System of Higher Education (NSHE) do not reflect all graduates. Some graduates do not attend college or they attend college out of state.

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.com.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.com.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
